

Wade Nolan's Wild Game Dinner Introductions

Introduction for Whitetail Seminar

Whitetail deer drive the hunting industry and bowhunting biologist Wade Nolan has been at the fore-front of this industry since 1982. Wade has produced over 130 video and DVD titles in his career and has sold more DVD's than any company in the hunting industry....over 7-million.

An avid whitetail hunter, Wade has conducted seminars in over 200 cities and continues to ride the cutting edge of whitetail science with his presence on the most visited bowhunting web site in the world....bowhunting.net. His streaming video clips on bowhunting.net are getting over 8 million views per year, making him one of the most respected whitetail commentators in the nation. His As an outdoor writer he published over 75 hunting articles last year and serves as the bear biologist for bear hunter magazine.

Tonight Wade Nolan is our whitetail guru. Let's welcome bowhunting biologist...Wade Nolan

Introduction for Keynote

Biologist, producer and world-wide adventurer our guest tonight has captured the attention of audiences in over 200 cities. Wade Nolan's career has let him to the far corners of the earth.

Nolan has spent 17 years in Alaska's Wilderness and 5 years north of the Arctic Circle.

His trail has also let to Africa where he spends about a month each year working with professional hunters, wildlife vets and researchers.

His movie camera and pen has taken him into America's living rooms on channels such as ABC, CBS, NBC and The BBC in London. His wildlife footage has been used by Discovery, Animal Planet and National Geographic Television.

A short list of Wade's professional accomplishments include:

- Leading Kayak expeditions down over 2000 miles of arctic rivers
- He has floated over 600 miles of the Yukon
- Wade has worked on Kodiak for over 100 days working with giant brown bears
- Worked in Africa capturing big game
- Wade has worked with researchers on Alaska Yukon Moose, Bears, Rhinos, and whitetail deer.
- His work has won 4 national and international awards.

Lets welcome Wade Nolan.
